

4Star Live Ball Cats

	CHEETAH	[2.5 - 3.5] Fairly consistent when hitting medium-paced shots Learning to judge where the ball is going; still learning to follow the ball Improving consistency of FH volley; inconsistent BH volley; has trouble with low and wide shots
	LION	[3.5] Pro Approval Required Follows the direction of ball with partner; moves forward consistently; quickly moves in rotation Ability to cover wide shots; uses proper footwork; ready for next shot Can direct FH volleys; controls BH volley but not offensively and may struggle with low wide volleys Developing doubles teamwork; able to lob defensively
	PUMA	[High 3.5-4.0] Pro Approval Required More aggressive footwork; good court coverage, consistent forward movement to the net Can direct FH & BH volleys with some offense, improved handling of low and wide BH volleys High consistency with approach and net shots; strong doubles teamwork Quick court coverage with deep overheads; consistent overhead on shots within reach
	TIGER	[4.0] Very good court coverage; evident doubles teamwork; always following the ball Makes & follows aggressive shots, can finish off shots often Can direct the ball with consistency and depth Has some specialty shots; poaches Runs down lobs and returns aggressively
	PANTHER	[High 4.0] Pro Approval Required Sound footwork; excellent court coverage and movement Uses tactics according to opponent; up at the net playing offense as soon as possible Consistently aggressive at net; puts away all high balls; always using doubles strategies Properly transfers weight into volleys without swinging
	ADV PANTHER	[Very High 4.0 - 4.5] Pro Approval Required Excellent footwork; can handle extensive sequence of volleys Aggressive offensive approach shots; excellent consistency Variety of pace and spin with control on all shots Closes at the net and puts away offensive volleys & overheads Able to master the use of power and spins
	JAGUAR	[4.5 & up] Pro Approval Required unless 5.0 Excellent shot anticipation; can vary strategies; always at the net attempting to take charge Hits most volleys with depth, pace, and direction; can consistently put away volleys to end the point, Often poaches and has multiple specialty shots Approach shots hit with good depth, pace and control; expert doubles strategy Can handle a mixed sequence of volleys; excellent footwork
	4Star Tennis Academy	Cat assessments are ongoing & players will be notified as cat levels change up or down. Pros advance players who are dominating at their current level.
