

Pass Academy Cat Descriptions

	BOBCAT (BC)	Learning to judge where the ball is going and how to move on the court. Can sustain a short rally of slow pace with other players of the same ability. [2.5 range]
	CHEETAH (CH)	Fairly consistent when hitting medium-paced shots . Still learning to follow the ball and being ready for the next shot. Improving consistency of FH volley; inconsistent BH volley; has trouble with low & wide shots [2.5 - 3.5 range]
	LION (LI)	Follows the direction of the ball with partner; moves forward consistently; quickly moves in rotation. Ability to cover wide shots; uses proper footwork; ready for next shot. Can direct FH volleys; controls BH volley but not offensively and may struggle with low wide volleys. Developing doubles teamwork; able to lob defensively. [3.5 range]
	PUMA (PU)	More aggressive footwork; good court coverage, consistent forward movement to the net. Can direct FH & BH volleys with some offense, improved handling of low and wide BH volleys. High consistency with approach and net shots; strong doubles teamwork. Quick court coverage with deep overheads; consistent overhead on shots within reach. [High 3.5 - 4.0 range]
	TIGER (TI)	Very good court coverage; evident doubles teamwork; always following the ball. Makes & follows aggressive shots, can finish off shots often. Can direct the ball with consistency and depth. Has some specialty shots; poaches. Runs down lobs and returns aggressively. [4.0 range]
	PANTHER (PA)	Sound footwork; excellent court coverage and movement. Uses tactics according to opponent; up at the net playing offense as soon as possible. Consistently aggressive at net; puts away all high balls; always using doubles strategies. Properly transfers weight into volleys without swinging. Intelligent shot selection. [High 4.0 - 4.5 range]
	ADV PANTHER (AP)	Excellent footwork; can handle extensive sequence of volleys. Aggressive offensive approach shots; excellent consistency. Variety of pace and spin with control on all shots. Closes at the net, puts away offensive volleys & overheads. Masters use of power & spin. [Very High 4.0 - 4.5 range]
	JAGUAR (JA)	Excellent shot anticipation; can vary strategies; always at the net attempting to take charge. Hits most volleys with depth, pace, and direction; can consistently put away volleys to end the point, Often poaches and has multiple specialty shots. Approach shots hit with good depth, pace and control; expert doubles strategy. Can handle a mixed sequence of volleys; excellent footwork. [High 4.5 & 5.0 range]
	Pass Academy	Cat assessments are ongoing & players will be notified as cat levels change up or down. Pros advance players who are dominating at their current level. We take great efforts to provide an enjoyable, engaging & challenging environment for all. We request respect for our pros when they are giving feeds & striving for a fast pace of play.
